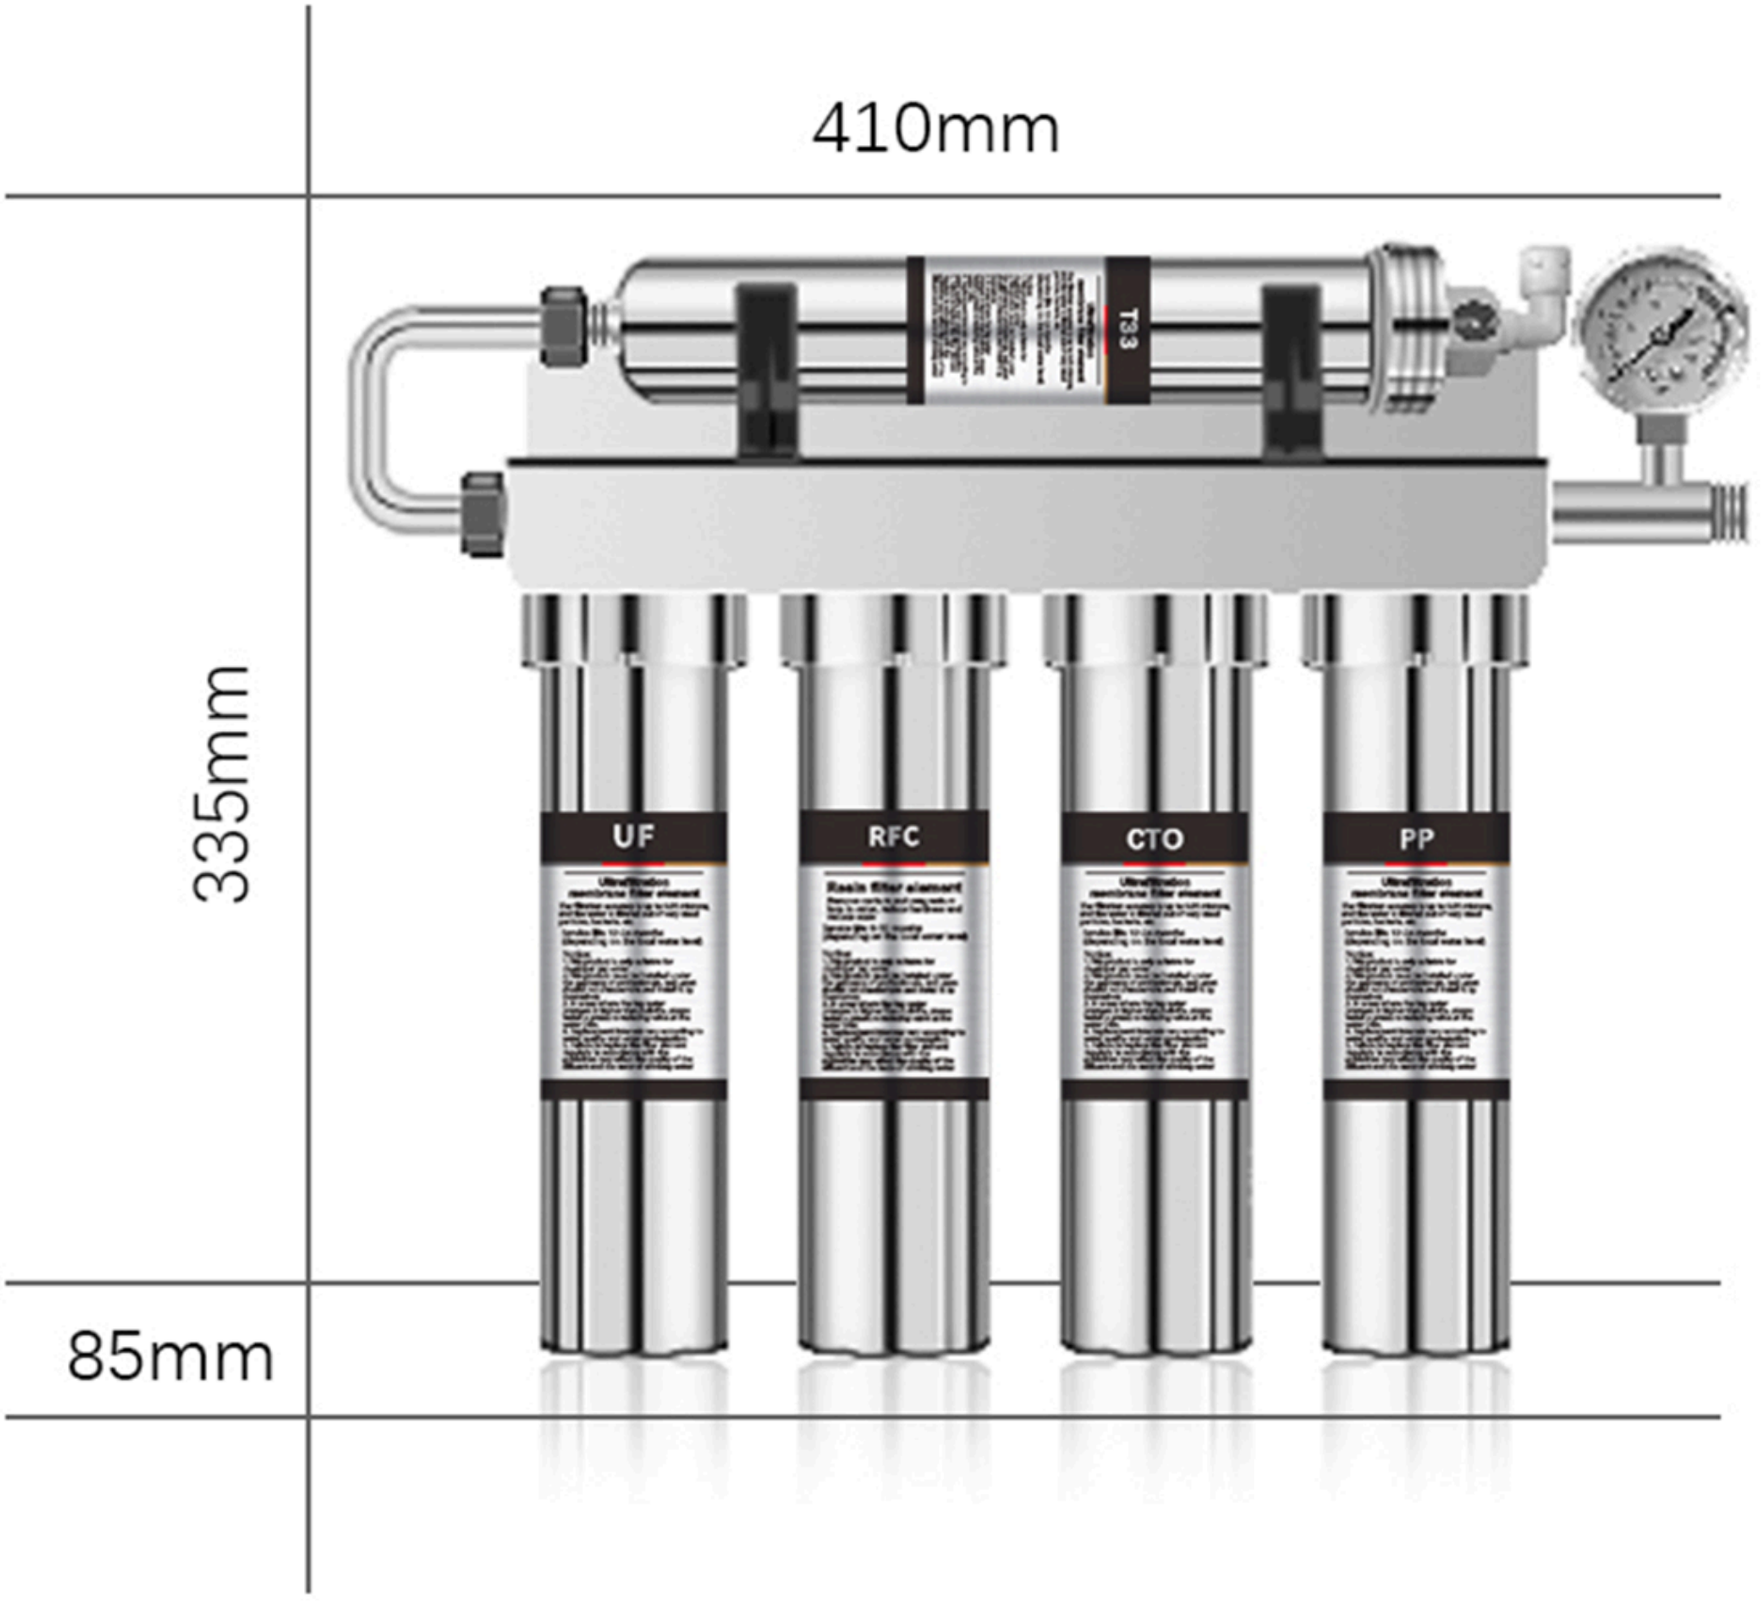
Product Specifications

Name	Model number
Ultrafiltration water purifier	FLN-UF-01
Temperature	Water source
5~38°	Municipal tap water
Filter service life	Water pressure
6-36 months	0.1-0.4Mpa
Filtration accuracy	Water quality
0.01 micron	Direct drinking, Retained minerals



410mm
335mm
85mm

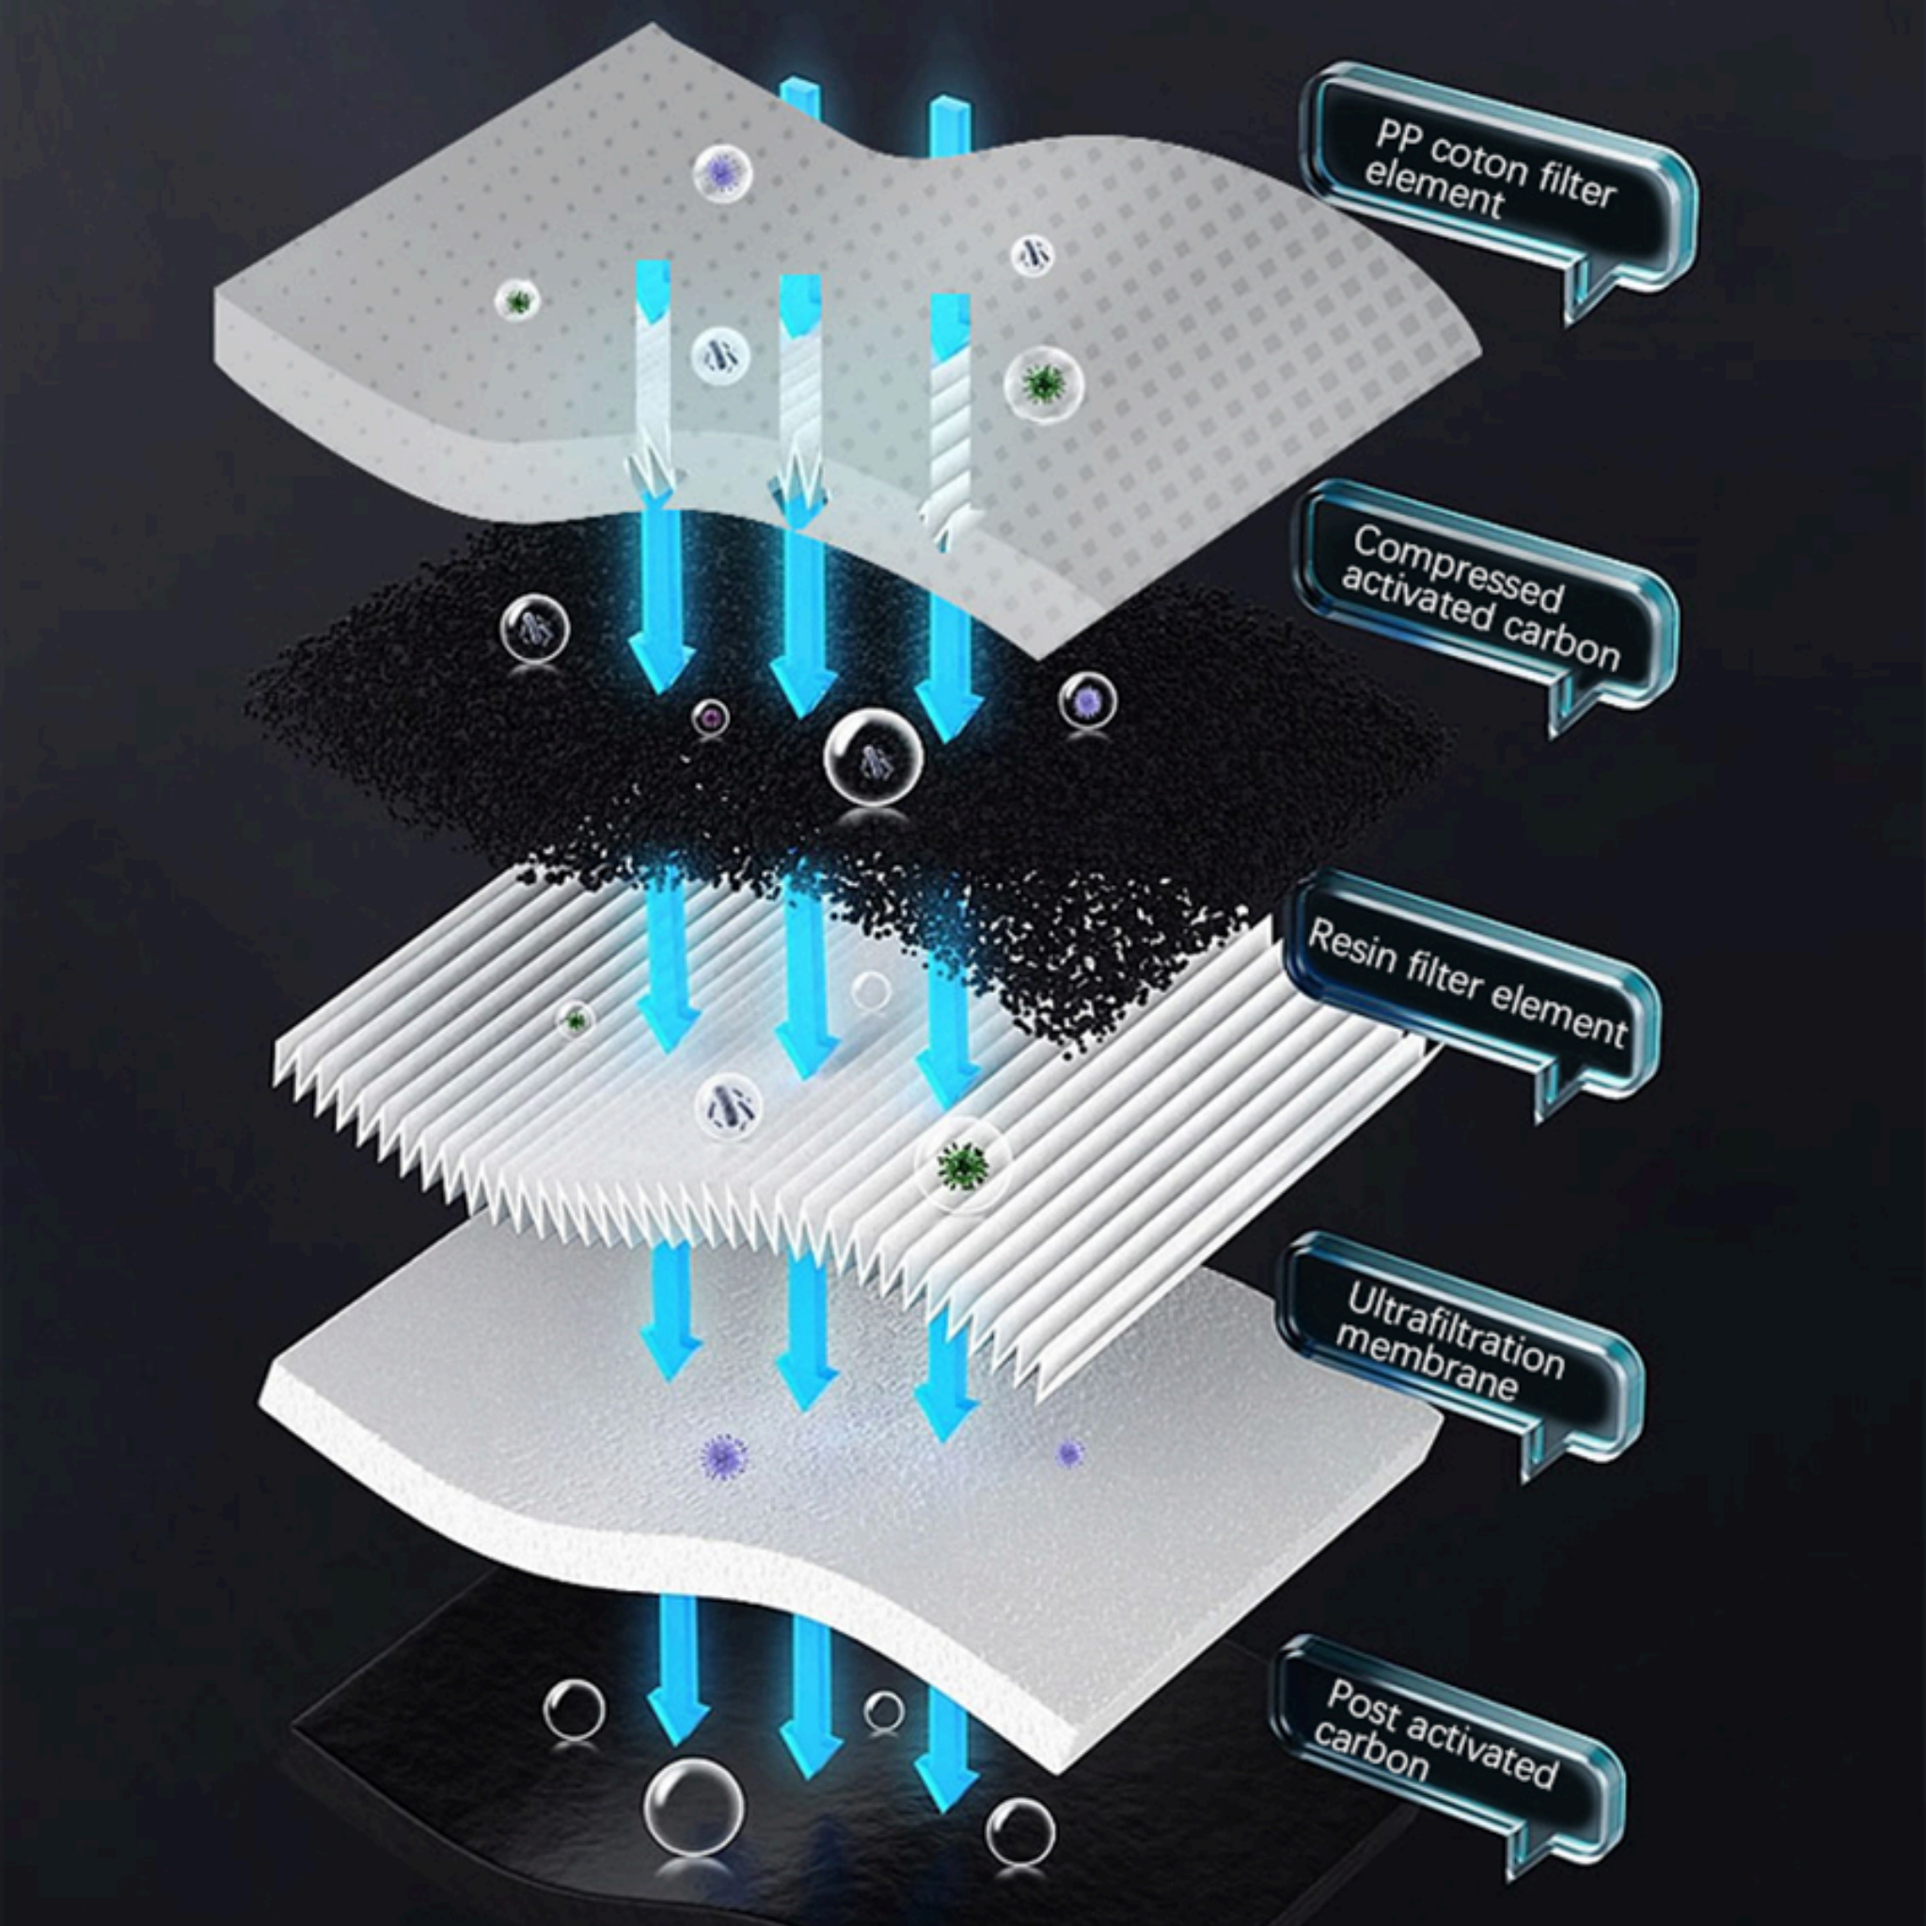
Multiple mounting options

Counter top,under sink,wall mounted

Wall mounted

Counter top

Under sink



PP coton filter element
Compressed activated carbon
Resin filter element
Ultrafiltration membrane
Post activated carbon
